*CGIAR is a global research partnership for a food secure future*

# Improved nutrition and health Progress achievement, results

Nairobi, 5 November 2013

# Improved Nutrition and Health

Improved nutritional status  
**STUNTING**  
**MICRONUTRIENTS**

Improved  
health status  
**DALYs**

**CGIAR  
Strategic  
Goals**

Improved diet  
quality  
(food  
consumption;  
diet diversity)

Empowerment of women and  
poor communities

Better cross-sector policies,  
programs and investments

Reduced  
exposure to  
causes of ag-  
associated  
disease
